

## PRESS RELEASE

### **FusionExperience receives SAP Silver Partner Status**

**London, UK – 23 September 2013** - FusionExperience the business and technology solutions company, today announced it has received the SAP silver partner status. The latest accreditation will give FusionExperience access to resources, services and benefits that will help the company to build and maintain a successful relationship with SAP, which will also help it to optimise business results for clients.

SAP partners help SAP customers design, implement and integrate SAP solutions; optimise business processes; and provide strategic business consultation. As an SAP silver partner, FusionExperience will take an active part in the support, customisation and deployment of SAP solution-based systems.

**Steve Edkins, CEO at FusionExperience** commented,

*“Holding both Value Added Reseller and Service Partner status with SAP, means that FusionExperience are now a single source of supply for all aspects of service for SAP’s database and technology solution portfolio, including advice, training, implementation, support and provide software licenses for SAP products. The benefits for our clients are the access to a single source of experts that are constantly kept abreast of latest SAP developments and reduction in total cost of ownership for SAP technology.”*

As an SAP silver partner in SAP’s partner programme, FusionExperience will have access to a much broader range of software tools and solutions for its clients. SAP offers tools and resources that provide a strong foundation of support and collaboration that fosters unparalleled value and mutual business success for customers, partners and SAP.

**Steve Edkins, CEO at FusionExperience** continues,

*“In addition, the new SAP partnership extends and strengthens the range of solutions that FusionExperience can itself offer. For example, FusionExperience has incorporated SAP Sybase IQ and Hana into our own Big Data and Visualisation solution complementing our existing proprietary technologies, for an enhanced offering to our clients.”*

**About FusionExperience:**

FusionExperience is an innovative business and technology services company. We fuse our deep domain expertise in the investment, insurance, telecommunications and complementary markets internationally, with technology from our group companies and industry leading partners such as Salesforce.Com and SAP, to build platforms and applications to meet specific business needs. Our purpose is to add value to every one of our client's businesses through services and solutions. We operate across multiple sectors, working fast and smart in a world where time is the scarcest resource.
